Dear Kate

INFORMATION REQUEST – DEVELOPMENT PERMIT - MATERIAL CHANGE OF USE - TELECOMMUNICATIONS FACILITY – 9 MAYNE ST, TIARO QLD 4662 – DEVELOPMENT APPLICATION - MCU-141037

Thank you for the submission of the above development application lodged with Council on 11 June 2014.

To assist us in assessing your development application, we seek the following further information:

The applicant is requested to provide a photo montage of the proposed Telecommunication Facility to enable an indicative view of the tower in context of the surrounding environment.

Council requires two (2) copies of the information when responding to this request. Following receipt of the above items, assessment of your application will continue. Under the provisions of section 278 of the Sustainable Planning Act 2009, the applicant is to provide either:

i) all of the information requested; or
ii) part of the information requested together with a written notice asking the Assessment Manager to proceed with the assessment of the application; or
iii) a written notice stating that you do not intend to supply any of the information requested and that the application may proceed to be assessed.

The IDAS assessment process stops until one of the above responses is received. Further, the application will lapse if a response required by section 278 is not provided within timeframes specified in section 279 of the Sustainable Planning Act 2009.

Should you require any further information or assistance with this matter please contact me on 1300 79 49 29.

Yours faithfully
